

The University of Luxembourg is an international research university with a distinctly multilingual and interdisciplinary character. The University was founded in 2003 and counts more than 5,000 students and more than 2,000 employees from around the world.

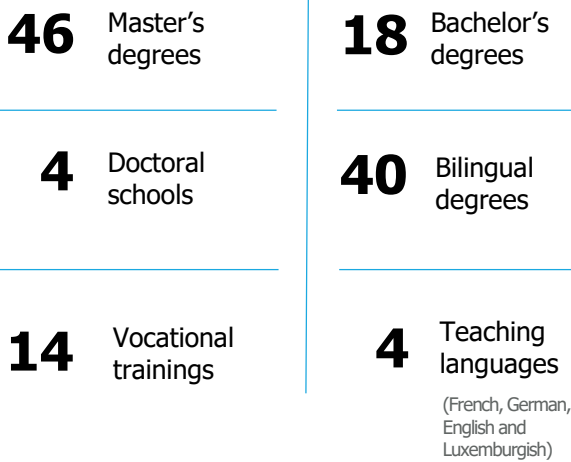

The University's faculties and interdisciplinary centres focus on research in the areas of Computer Science and ICT Security, Materials Science, European and International Law, Finance and Financial Innovation, Education, Contemporary and Digital History. In addition, the University focuses on cross-disciplinary research in the areas of Data Modelling and Simulation as well as Health and System Biomedicine.

Times Higher Education ranks the University of Luxembourg #4 worldwide for its "international outlook," #25 in the Young University Ranking 2022 and among the top 250 universities worldwide.

## Staff & Students

## Teaching

## Vision – Mission

### OUR VISION

**A University for Luxembourg and the World**

### OUR MISSION

**To be a world-class research university focusing on:**

- Cutting-edge Research
- High-quality education
- Contribution to the social, cultural and economic development of the country

## The University

**2003** Foundation

## Rankings

**#25**  
in THE (Times Higher Education) Young University Rankings 2022

among the top

**#250**  
best universities according to THE World University Ranking 2023

**#4** worldwide for its international outlook according to the THE World University Rankings 2023

## Research

**2,438**  
Publications in 2022

**1,000+**  
Ongoing projects

**172**  
Horizon projects accepted for H2020 and HEU<sup>1</sup>

**22m €**  
For EU funding awarded in 2022

**138**  
FNR projects accepted

**44m €**  
For FNR<sup>2</sup> funding awarded in 2022

<sup>1</sup> Total number granted until February 2022. Horizon Europe is the biggest EU research and Innovation funding programme, with a €95.5 billion budget for the 2021-2027 period. It succeeds Horizon 2020, which ran from 2014 to 2020, with a budget of €80 billion. <sup>2</sup> The Luxembourg National Research Fund (FNR) is the main funding organism of research activities in Luxembourg.

## Our Focus Areas

### DIGITAL TRANSFORMATION

Trustworthy ICT | Cybersecurity | Digital humanities | Big Data of the past FinTech | Space technology and telecommunication | Data Science

### MEDICINE AND HEALTH

Systems biomedicine | Neuroscience and oncology | Digital Health | Social and economic aspects of health

### SUSTAINABLE AND SOCIETAL DEVELOPMENT

Sustainable finance and governance | Inequalities | Diversity and migration | Law and regulations | Educational research

## Our Approach

International

Interdisciplinary

Multilingual

Research Orientated

Close to European Institutions, financial institutions and leading industry players

**Incoming mobility students may join the University of Luxembourg within one of the following exchange programmes:**

- **Erasmus+** - programme for EU universities only
- **Erasmus+ International Credit Mobility (ICM)** – Erasmus programme between EU and non-EU universities
- **Inter-University agreements** - direct exchange agreements with EU universities
- **Fulbright** - special exchange programme for US students (more information on [fulbright.be](http://fulbright.be))
- **Free mover** - Free Mover applications are accepted only if a cooperation agreement(s) exists between your University and the University of Luxembourg but such agreement(s) does not include your study programme.
- **Double degree** - special degree programmes with our partner universities
- **Global Exchange** – exchange programme with non-EU partner Universities

## Institutional Information

### Name of the Institution

University of Luxembourg

### Erasmus identification code

LUXLUX-VIL01

### OID

E10208960

### President

Prof. Dr. Jens KREISEL

### Legal Address

2, avenue de l'Université, L-4365  
Esch-sur-Alzette, Luxembourg

### Website

<http://www.uni.lu>
